From: Administrative Office
Re: Pharmacy Vaccine Program thru Express Scripts Participating Retail Pharmacies Effective June 15, 2020.

Dear Participant:

To help you stay healthy, you can now receive vaccinations conveniently administered at your participating retail pharmacy through your Express Scripts prescription plan offered by the Santa Monica UNITE HERE Health Benefit Fund. This new program will allow both you and your enrolled dependents to receive most vaccinations with a \$0 copayment. Since vaccine availability varies by pharmacy, you should call your pharmacy ahead of time to confirm whether a particular vaccine is available, as well as any applicable cost to you.

Before you visit the Pharmacy...

- Make sure the pharmacy you use is part of your Express Scripts participating pharmacy network. If you're not sure, login to express-scripts.com and click "Find a pharmacy" from the menu under "Prescriptions" to find out. You can also use the Express Scripts mobile app on your digital device to locate a participating pharmacy.
- Call the pharmacy to verify their current vaccination schedule, ask your pharmacist which vaccines are right for you, and check on vaccine availability and age restrictions.

When You Get to the Pharmacy...

- Be sure to present your prescription member ID card at the time of service.
- Be sure to get your vaccine from the pharmacist at the pharmacy, not from the pharmacy's on-site clinic. If you get your vaccine from the pharmacy's on-site clinic, it will not be covered by Express Scripts.

Express Scripts provides prescription drugs for you and your enrolled dependents. Prescriptions must be filled at pharmacies contracted with Express Scripts. A list of network pharmacies can be found on the Express Scripts Web site at <http://www.express-scripts.com>. You can also contact Express Scripts by phone at (800) 606-5667.

If you have any questions regarding your benefits or want to confirm your eligibility for benefits, please call the **Administrative Office at (562) 463-5075 or (866) 345-5189** from 8:30 a.m. to 4:30 p.m., Monday through Friday. The Fund's web site can be found at www.santamonicauniteherefunds.org.
